

Glodyne winner in Inc. India 500 - India's best performing enterprises

Ranked amongst Top Ten Companies in the Top 500 Companies for 2010

December 1st, 2010 - Glodyne Technoserve Limited has been declared winner in the Inc.India 500 Award for India's Best Performing growth Enterprises, an award which acknowledges and honors fast-growing companies across sectors. Glodyne has been ranked eight amongst the top 500 Indian companies across sectors. The Company has been able to substantially move up in the ranking compared to last year.

The high profile awards ceremony was held in New Delhi on November, 2010. The awards are based on the size, top line growth, bottom line growth, profitability and returns for the last three years.

Commenting on the awards, Mr. Sarnaik said *"This is the second year that Glodyne has won this award, which is for growing enterprises across sectors. Glodyne is proud to be ranked among top ten, in the Top performing companies for the year 2010. We have been consistently focused on delivering value to our customers and today we are in the most exciting phase of our journey. With our transformational IT services, we are empowering millions of lives in India; at the same time we are expanding our Global presence and servicing Fortune 100 Companies. I would like to take this opportunity to thank the Team at Glodyne, our customers, our partners and all our associates who have been constantly with us in our journey."*

The event included the presentation of awards to winning companies, the release of the book Inc. India 500 and insightful contributions from guest speakers, industry specialists and peers on the success factors for fast growing companies and issues facing them as they continue their growth.
